# Episode 1

*Two cats magically proofed into existence.*

**Firestar:** Pfft what am I doing here, let me out I'm too busy saving all the Clans

**Clear Sky:** I hate you

**Firestar:** Why :(

**Clear Sky:** I hate everyone

**Firestar:** Sounds accurate, so what are we doing here anyways?

*Firestar then tries to walk away and ends up running into a magical wall that can only be seen from the outside.*

**Moon**: Muahaha we have trapped you

**Clear Sky:** Why

**Frost:** You are to stay in this circle of awesomeness until you become best friends

*Then Moon and Frost high-five*

**Firestar:** -_-

**Clear Sky:** I hate life

**Firestar:** AAAHHHHHHHHH

*The majestic leader then goes insane*

**Clear Sky:** I was the first real leader--

**Moon:** NO YOU WERENT WIND RUNNER WAS THATS WHY WINDCLAN IS SO AMAZING, AND MANY OTHER REASONS

**Clear Sky:** You didn't let me finish tree-brain I was about to say 'of SkyClan'

**Moon:** Whatever you two obviously hate each other... Welp time to wrap up Episode one! Maybe Episode two will be more successful, see y'all later!

**Written by Moon and edited by Duskie.**

# Episode 2

*Poofy poof poof. Existance cats poofy poof.*

**Windstar:** What's going on?

**Jayfeather:** Life. Can't you tell, idiotic moron?

**Windstar:** Who're you calling a moron?

**Jayfeather:** You, obviously. Isn't it me who's supposed to be the blind one?

**Windstar:** Who do you think you are, you insolent fool?

**Jayfeather:** I'm Jayfeather, medicine cat of ThunderClan. The only legitimate medicine cat, anyways.

**Windstar:** I am Windstar, leader of WindClan, and I have no time for the squabbles of a lowly, irritating cat like you. *begins to walk away*

**Jayfeather:** *snorts* And it's useless for me to speak to another dead, stupid cat. *walks in opposite direction*

*Both cats bump into the invisible boundary.*

**Windstar:** What is this madness? Why can I not go through?

**Jayfeather:** By StarClan's waffles! Let me out! *bangs on invisible wall*

**Windstar:** I can't stay here with *this.* *casts disgusted look towards Jayfeather*

**Jayfeather:** I can say the same for you, rabbitbrain.

**Windstar:** *steps forward threateningly* I eat the brains of rabbits for breakfast.

**Jayfeather:** You are what you eat.

**Windstar:** *snarls and leaps forward*

**Jayfeather:** Pssh. *flaps paw at Windstar*

**Windstar:** *is thrown backwards by power of Jayfeather*

**Duskie:** Oh oh. Things are getting physical. Time to end this episode! Bye, bye, and look out for Episode Three!

# Episode 3

*cats poof existence yeah all that stuff*

**Slash:** Why am I here!? Me and Swallow were just--

**Moon:** KEEP IT PG PEOPLE

**Tigerstar:** Who are you?

**Slash:** Forget that who are *you*?

**Tigerstar:** I am the evil leader of the Dark Forest, an elite group of murderers

**Slash:** Sounds like something I would lead...

**Tigerstar:** Ooo really?

**Slash:** We should go take ever the world together!

**Tigerstar:** YEAH!

*They try to walk off together only to hit the invisible wall*

**Slash:** WHAT IS THIS

**Tigerstar:** I DON'T KNOW

**Slash:** LET'S PLOT TO GET OUT

**Tigerstar:** YES

**Moon:** Naw it's impossible

**Slash:** WHY!? WHO ARE YOU!?

**Moon:** I am le great Moon, and I'm here to make sure you two become friends

**Tigerstar:** Well we already have so...

**Moon:** Too bad *poof*

**Tigerstar:** -_-

**Slash:** So, how many cats have you killed?

**Tigerstar:** *starts going on and on about how awesome he is*

**Slash:** Interesting... Well *Explains about Star Flower and Gray Wing and Black Ear and crap*

**Tigerstar:** So you've tried and failed 1234567654321234567 times?

**Slash:** Pretty much yes

**Tigerstar:** Well forget you

**Moon:** *shrug* Well that's it for today looks like this friendship was ruined. Bye!

**Le Moon rules, hope you enjoyed! Until next time...**

# Episode 4

*Yet again, two cats magically poof into existence.*

**Crookedstar**: Willowbreeze? Is that you?

**River Ripple**: No. . .

**Crookedstar**: Silverstream?

*Crookedstar attempts to reach for River Ripple, eyes half closed in exhaustion.*

**River Ripple**: GET OFF ME, YOU ******* *******!

**Crookedstar**: Jeez, that's a little harsh. . . well, my name is Crookedstar. Leader of RiverClan

*Crookedstar holds out his paw to shake. River Ripple eyes it with distaste.*

**River Ripple**: *Founder* of RiverClan. Nice to meet you.

**Crookedstar**: *Riverstar?!?*

**River Ripple**: River Ripple*

**Crookedstar**: wat

*Crookedstar pulls out his phone.*

**Crookedstar**: The Warrior Wiki has titled your page Riverstar, yet every time they write your name, it says River Ripple.

**River Ripple**: Quit breaking the forth wall. And yeah, that's weird.

*Shakes head.*

**River Ripple**: I hate the Erins.

**Crookedstar**: They made us. Is that not good enough for you?

**River Ripple**: They didn't put us in America, so no.

**Crookedstar**: You are so horrible. . .

**River Ripple**: I know :D

*Crookedstar starts walking away from him.*

**Crookedstar**: Can't move. . . want Jello. . .

**River Ripple**: *in a sing-song voice* If you want fattening foods, come to 'Murica!

**Crookedstar**: Need Jello. . ..

*Is straining to lift his paw. River Ripple walks up to him, then easily walks past him until he bumps into the barrier, about a fox-length away from Crookiebae.*

**River Ripple**: On second thought, maybe you've had enough Jello. . .

*Eyes Crookedstar's jiggly belly fat.*

*Crookedstar collapses.*

**Crookedstar**: That's enough exercise for today.

**This random, kind of horrible was brought to you by the amazing Rio :D Have fun, and watch the Olympics in me!**

# Episode 5

*Once upon,  two amazingly great cats appeared in not a poof of existence.*

**Grumpy Cat:** Where the **** am I?

**Smudge:** I have no clue. . . and can you please not use meanie cat language? It makes me sad inside :(

**Grumpy Cat:** That makes me happy inside. . . oh wait, I can't feel happiness. Well, I feel slightly less worse!

**Smudge:** That's good, right?

**Grumpy Cat:** What does that mean?

**Smudge:** . . .

**Smudge:** Anyways. . . I'm hungry.

**Grumpy Cat:** I can tell.

*Grumpy Cat gestures toward Smudge's jiggling belly.*

**Smudge:** Hey, I'm trying to work it off :( :(

**Grumpy Cat:** Ha, you'll be fat forever!

**Smudge:** You're bad at this insulting thing.

**Grumpy Cat:** DID YOU JUST CALL ME BAD AT INSULTING?

**Smudge:** Yes.

**Grumpy Cat:** I'll have you know—I'm trained in one hundred different types of meme warefare.

**Smudge:** Great, you're just like my housefolk! I hate when they laugh about things on their light-boxes. . .

**Grumpy Cat:** At least yours didn't post *hideous* pictures of you on the internet to become memes! I hate them so much -___-

**Smudge:** You should appreciate them! They *did* save you from whatever pound you were going to go to!

**Grumpy Cat:** Unlike you, I'm a *rare* breed that was sought after. Any other owners wouldn't make me a meme, but my ******** owners did! I would be in the U.K, relaxing on the pillow of the Queen.

**Smudge:** We are in the U.K, aren't we?

**Grumpy Cat:** Idk. And idc.

**Smudge:** Well, I'm going to go sit on the edge of a fence and look at birds :D

**Grumpy Cat:** I hope you fall and die :D

**This was Rio again. Hi. Bai. Have a nice day.**

# Episode 6

*I'm even going to bother.*

**Rock:** Whatever is going on? Why am I here? I was happy in my cave.

**Mosskit:** Oooh, looky, ugly cat!

**Rock:** I-uh-kit, who are you?

**Mosskit:** I'm Mosskit. And wow, you're so ugly.

**Rock:** Kit, that is rude.

**Mosskit:** How did you get so ugly?

**Rock:** I-

**Mosskit:** Your eyes bug out so much.

**Rock:** Well-

**Mosskit:** And your fur, it's all gone! That's so weird!

**Rock:** Kit-

**Mosskit:** What did your mom say when you were born?

**Rock:** She-

**Mosskit:** Did she hate you?

**Rock:** No-

**Mosskit:** You're lying, aren't you? She hated you, didn't she? My mom says that you shouldn't lie.

**Rock:** I'm not-

**Mosskit:** You're a bad cat! *bursts into tears*

**Rock:** *flabbergasted* Uh duh bleah wuh.

**Bluestar:** *outside the dome* WHY DID YOU LET HIM MAKE MY CHILD CRY? *leaps towards dome*

**Duskie:** Bluestar- *tries to restrain*

**Bluestar:** MY CHILD! MY CHILD! LET GO OF ME, FOOL!

**Duskie:** *sigh* I'm not going to deal with this any longer. *snaps fingers and the cats disappear* That's the end of that.

# Episode 7

*One cat appears in a cloud of smoke; the other falls out of the sky and lands upon the other.*

**Millie:** Can't. . . breathe. . .

*Squirms around, trying to get out from beneath the other cat.*

**Silverstream:** Ima stay here until you admit that Graystripe loves me more!

**Millie:** At least *our* kit survived.

*Silverstream snorts with disgust.*

**Silverstream:** Yeah, one of them broke her back and is useless, and you made one of them turn to the Dark Forest. Like, hashtag worst-mum-ever!

**Millie:** Oh, be quiet! You let both of your kits go off on a dangerous journey—and guess what, one fricken' died!

**Silverstream:** Yeah, a journey that ended up saving the motha-truckin' Clans! Feathertail died valiantly.

*Sniffs indignantly.*

**Millie:** Well at least Graystripe's love for me wasn't against the Warrior Code!

**Silverstream:** You were—and still are—just a fricken' kittypet who can use her claws. Get back to your Twolegs.

**Millie:** I *joined* the Clans because my love for him was so strong.

**Silverstream:** Well, Graystripe joined my kit's Clan to be with my kits!

**Millie:** I didn't see you ever joining ThunderClan, did ya'?

**Silverstream:** You're not even a real warrior! You don't have the name!

**Millie:** Says Crookedstar's baby little daughter who was as stuck up as a tree out of the ground!

**Silverstream:** Admittedly, that was the worst metaphor I have ever heard.

*Millie nods.*

**Millie:** It really was.

**Silverstream:** Well, back to our arguing. I was a *strong* RiverClan warrior who saved Graystripe's life!

**Millie:** I saved his life too! He would've starved in the Twolegplace or been lost forever if I didn't help him.

**Silverstream:** He would've survived, at least. If I never saved him, he would be dead!

**Millie:** How about we quit arguing and go to Starbucks? I'm hungry anyways. . .

**Silverstream:** Deal.

*They walk off, only to run into the invisible wall.*

**Brought to you by the great and fabulous Rio. You can never get rid of me :3**

Lionblaze and Half Moon

**(Whisper summoned Lionblaze to a place)**

Lionblaze: Where am I?

Whisper: You are in a place :P Have fun.

Lionblaze: >:( *walks around and sees a cat*

Half Moon: *meditating*

Lionblaze: *pokes Half Moon*

Half Moon: Jay Wing?

Lionblaze: Who is Jay Wing?

Half Moon: Nevermind. So, who are you?

Lionblaze: I'm Lionblaze, I have invincibility powers.

Half Moon: Cool.

Lionblaze: Could I tell you something I never told any cat.

Half Moon: Sure, my name is H-

Lionblaze: Shhhh. I shall continue.

Half Moon: Fine *rolls eyes*

Lionblaze: My brother Jayfeather was talking about this Half Moon, Stoneteller cat to me, and he rambles too much. I really don't like this cat.

Half Moon: I see...

Lionblaze: Half Moon is taking my brother away from me and I wish to speak to her and tell her to leave my brother alone.

Half Moon: Please explain

Lionblaze: *More rambling*

**(93636829394 years later)**

Half Moon: Let me tell you a secret.

Lionblaze: Are we like best buds now?

Half Moon: Let's go with that.

Lionblaze: Please continue.

Half Moon: My name is... Half Moon

Lionblaze: 0.0

Whisper: Lionblaze, why.

Lionblaze: Whisper, are we best buds.

Whisper: *disappears*

Lionblaze: Half Moon?

Half Moon: I don't like you.

# Episode 9

*poof poof cats woo*

**Micah:** Where am I? Moth Flight?

**Firestar:** Who's Moth Flight?

**Micah:** She's my mate... Who are you?

**Firestar:** I'm Firestar, leader of ThunderClan. Are you Micah? I think I've heard stories of you...

**Micah:** Yep, that's me. Now, how do we get out of here?

**Firestar:** Not quite sure. How about I help you find Moth Flight? She should be around here somewhere, if we're here.

**Micah:** Alright, that sounds reasonable.

*They try to walk off, side-by-side, but hit an invisible wall.*

**Firestar:** What in StarClan?!

**Micah:** We're stuck! Ugh. Anyway, you didn't tell me much about yourself.

**Firestar:** Well... *explains everything, Into The Wild to The Last Hope*

**Micah:** Wow. I remember seeing ThunderClan. I don't recall a 'twoleg-place', though... and SkyClan was driven out? Hmpf, I would've thought they'd put up more fight than that.

**Firestar:** I guess they changed. So, you were Moth Flight's mate? That's weird, medicine cats normally can't take a mate or kits.

**Micah:** She was the cat to make that part of the Code. I feel bad, really, I didn't get to see our kits grow up...

**Firestar:** That's no good. I have a mate and kits, too. Sandstorm, Squirrelflight, and Leafpool.

**WR-87:** Ok, that's enough! Before you two star-

**Micah & Firestar:** Who're you?!

**WR-87:** Well, I'm the great WR-87! But that's not the point. *turns to audience* Well, that's all for today, folks!

**Hope you guys enjoyed! I aplogize for the lack of my writing here.**

Sandstorm: Sandstorm. Sorry, but you look a *lot* like a cat I know.

Jake: How do you know Firestar?

Sandstorm: He's my mate.

Jake: Really? *You're* Firestar's mate?

Sandstorm: **hisses** Do you have a problem with that?

Jake: **Chuckles** Well, he certainly picked a feisty one.

Sandstorm: How do you even know who Firestar is, anyways?

Jake: I happen to be his father.

Sandstorm: Wait, *you're* Firestar's father? Well, come on, let me take you to him! He'd love to meet you!

Jake: Really? Okay!

Sandstorm and Jake: **begin walking away* *bump into invisible barrier**

Sandstorm: I refuse to be kept away from Firestar by a stupid wall of *air*. **charges at the barrier and knocks herself out**

Jake: O_O

**Annco: Well, that was certainly unexpected.**

Jake: Who're you? And why are you just a bodiless voice?

**Annco: Hold on, I can fix that.**

**Random black cat falls from the sky**

Random Cat: Hi, I'm Owlheart. I'm the cat that Annco forces to do as she says. Basically, I'm her slave. She's typing my words right now. She is all-powerful. Obey her.

Jake: Uh... Right.

Owlheart: **whispering** She controls us all. You can never escape.

Jake: **tries to run away but knocks himself out on the barrier, falling next to Sandstorm**

**Annco: * *Looney Tunes theme song starts playing** Well, that's all folks ! Hope you liked it!**

# Episode 11

Patchkit: Who're you?

Mosskit: I'm Mosskit... Who are *you?*

Patchkit: Patchkit... of ThunderClan

Mosskit: Hey, I'm ThunderClan, too! My mom was the leader!

Patchkit: My mama got kicked out.

Mosskit: O_O What did she do?

Patchkit: She had a RiverClan mate.

Mosskit: But that's not that bad. I mean, at least it wasn't a medicine cat from another Clan **cough** Crowfeather **cough**

Patchkit: Y'know, I like you!

Mosskit: I like you, too! Wanna go find some moss to play moss-ball with?

Patchkit: Sure!

*Both kits start walking and bounce off of the invisible barrier*

Mosskit: Ow! Why can't we leave?

Patchkit: I dunno...

**Annco: You'll never be allowed to leave...**

Mosskit and Patchkit: **start running around frantically, bouncing off of each other and the barrier**

**Annco: I'm just kidding, guys, you can go now... * *bursts into laughter**

Mosskit: Hey, that's mean!

Patchkit: Who cares? Let's get out of here!

*Two cats bloop into existence.*

Moth Flight: Oh, hello.. who're you? I'm Moth Flight.

Spottedleaf: My name is Spottedleaf. Have you seen my beloved Firestar? I have another prophecy for him!

Moth Flight: Haven't. But I think Micah met him. And you're a medicine cat, right? I was the first.

Spottedleaf: Yes I am. And I've heard of you. You had *kits*.

Moth Flight: Don't you dare. You were the one to love a cat old enough to be your son! And have you forgotten that it was me who made that rule?!

Spottedleaf: Liar! There's a whole shortstory on why my love for him is not based on first sight!

Moth Flight: You know that nobody cared to read that!

Warrior: Woah, ladies, ladies! Stop fighting!

Spottedleaf: Who in StarClan's name are *you?*

Warrior: I am the great Warrior. And I control your actions, so you'd better be nice.

Moth Flight: How do you "control" us?

Warrior: Let me show you.

*Spottedleaf suddenly flies across the room and is hit in the face by a juniper berry pie*.

Moth Flight: WHOA

Spottedleaf: WHAT WAS THAT FOR

Warrior: See? That's why I'm "the great".

Moth Flight: I still don't believe you. Do it again!

Warrior: Got it.

*Suddenly, huge oak and elm trees and herbs start sprouting from the ground. Vines encase the place and it starts snowing. A huge pile of snow buries Spottedleaf.*

Moth Flight: Hah! We win, Warrior!

Warrior: *highfives* Yep! You're *so* much better, anyway.

*Spottedleaf angrily mumbles from under the snow, trapped. Warrior and Moth Flight continue to chat, talking about the best medicine cat treatments and such.*

Narrater: Well, that's all, folks!

Mille: I saved Graystripe.

Silverstream: I saved him better!

Mille: I went with him to look for the clans!

Mille: I hate your guts.

Silverstream: At least I have guts to stand up!

Mille: I had beautiful kits!

Silverstream: You only took care of one!

Mille: You cared for none cause you died!

Silverstream: I would've joined ThunderClan with my kits if I survived!

Mille: I don't like you Silverbutt!

Silverstream: You have a Silverbutt!

**Mosskit:** *is facing the other side of the bubble* Uh, hello? Is anyone here?

**Smallstar:** *patiently wraps his tail around his paws* I'm over here.

**Mosskit:** *turns around, facing the tom* Who are you?

**Smallstar:** My name is Smallstar of WindClan. I died when I was a kit, just like you.

**Mosskit:** Why did you get a warrior name? *a sob is ready to burst from her*

**Smallstar:** Because, unlike you, my death was important and prompted the addition to the Warrior Code. You are just some insignificant little kin of Bluestar, who wasn't even all that important.

**Mosskit:** Hey, don't be mean to my mommy :( :(

**Smallstar:** And I didn't get a warrior's name. I got a leader's name. So there! *tosses up his muzzle and stomps toward the side of the bubble, not realizing that there is a barrier.*

*He runs face-first into the barrier.*

**Mosskit:** *only sees him crumple to the ground.* Ha, StarClan gotcha back for being a meanie

**Smallstar:** *from the ground; his mew is muffled due to the fact that his muzzle is jammed into the dirt.* StarClan didn't do

anything. There's a wall here.

**Mosskit:** Ugh, great. I'm stuck your with stuck-up ***.

**Smallstar:** Where did you learn that kind of langauge?

**Mosskit:** Oakheart has a potty mouth! Mommy doesn't like it, but I've learned from him. *grins brightly.*

**Smallstar:** That's nice. . . back on topic.

**Mosskit:** Was there a topic to begin with?

**Smallstar:** You being a jealous mousebrain.

**Mosskit:** Right, that topic.

**Smallstar:** Your wiki page, under trivia, says you are perfectly happy with being a kit in StarClan.

**Mosskit:** The Erins don't know ****. I want to be a ******* warrior.

**Smallstar:** You swear like a sailor.

**Mosskit:** You best bet I do, *****.

**Minnowkit:** The great Minnowkit, daughter of Crookedstar and Willowbreeze.

**Marigoldkit:** Nope, never heard of you.

**Minnowkit:** WHAT?

**Marigoldkit:** ...Anywho, I'm Marigoldkit, daughter of Brackenfoot and Brightflower. You might've heard, my sister's Yellowfang, the best medicine cat ever.

**Minnowkit:** Oh yeah. You're the one who got Yellowfang exiled.

**Marigoldkit:** I didn't get her exiled! *Brokenstar* did.

**Minnowkit:** Mm yes, Brokenstar, who's your sisters' son. Pretty mean to his mom.

**Marigoldkit:** Nu-uh! There's no way I'm related to such a horrible cat!

**Minnowkit:** Yeah, well, you are.

**Marigoldkit:** *starts sobbing* Nu-uhhhh!

**Warrior:** Woah, woah! It's okay! Jeez, Minnowkit.

**Minnowkit:** Wha- that's not fair!

**Cinderpelt:** You look pretty good!

**Cinderheart:** Well yeah, I'm you!

**Cinderpelt:** ... I just realized that we are actually both well liked.

**Cinderheart:** Well of course! I'm an actually competent warrior and you are one of the only competent medicine cats that isn't a jerk.

**Cinderpelt:** Your tragic love story probably doesn't hurt...

**Cinderheart:** Well what about you? You started the precedent that ThunderClan medicine cats are all disabled and can't be Warriors

**Cinderpelt:** I'm pretty sure Yellowfang started that

**Cinderheart:** No, Yellowfang started the tradition that ThunderClan medicine cats are either non-Clan or completely useless when they aren't medicine cats

**Cinderpelt:** Do you want to fight?

**Cinderheart:** I would beat yo sorry medicine cat arse

**Cinderpelt:** I thought we were friends!!!

Snowkit: **stares blankly**

Snowbush: Uh, hello? Little kit?

Snowkit: **blinks**

Snowbush: **speaking very slowly** I... Am... Snow... Bush. Who... Are... You?

Snowkit: **twitches whiskers**

Snowbush: Hello! Can you even hear me?

Snowkit: Where are we?

Snowbush: I don't know... Who are you?

Snowkit: Where's the rest of ThunderClan?

Snowbush: I don't know... Tell me your name.

Snowkit: **sniffling** Where are we?

Snowbush: FOR THE LAST TIME, I DON'T KNOW!

Snowkit: **blinks uncomprehendingly** Where are we?

Snowbush: YOU LITTLE

***This was written by le Amazing Annco. In case you don't remember, Snowkit is the deaf ThunderClan kit, and Snowbush is some random ThunderClan cat that's mentioned like twice ever in***

# Episode 20

*beautiful cat spawns from the sky* I'm Star Flower, *flips fur*

*another beautiful cat spawns, but from the water* I'm prettier *flips fur*

Star Flower: Who are you?

Silverstream: I'm the one and only Silverstream

Star Flower: Ugh, I have better things to do than talk to an ugly cat.

Silverstream: You are a cat, you are also fat.

Star Flower: Ruuude...didn't your parents talk about your behavior?

Silverstream: No. What about you?

Star Flower: I have none and I don't need them.

Silverstream, then you are a loner...

Star Flower: Ugh. No I'm not.

Silverstream: Yeah, you are, loner...

Star Flower: Geez, just go away.

Silverstream: You go away *slaps Star Flower*

Star Flower: *slaps Silverstream*

*Sissy fight*

Silverstream: Okay I'm leaving

Star Flower: Agreed

*salutes and leaves*

# Episode 21

*Silence lays like a blanket over the clearing; suddenly, the center of the area starts steaming, accompanied by the sound of air hissing out of the ground. The smoke quickly turns to a purplish shade, and a loud pop echos through the forest. The fog clears away to reveal a pair of she-cats standing in the clearing.*

**Mothwing**: Um, is this a dream? Who are you?

**Moth Flight**: I'm Moth Flight of WindClan... who are you?

**Mothwing**: I'm Mothwing. Medicine cat of RiverClan. Funny, we have the same first bit of our name. *smiles slightly.* So are you new to the Clans? I haven't seen you at the Gatherings...

**Moth Flight**: *ignores the rest of her statement.* Moth Wing... are you Dapple Pelt's apprentice, perhaps?

**Mothwing**: ...who?

**Moth Flight**: Dapple Pelt is the medicine cat of RiverClan.

**Mothwing**: No, I am. And Willowshine is also a medicine cat. Who the heck are you talking about?

**Moth Flight**: *sighs* Never mind. So, you're a medicine cat. So am I! I'm the very first, in fact...

**Mothwing**: *snorts* If you were the very first medicine cat, then you'd be dead.

**Moth Flight**: *gasps* How dare you say that! I'm very much alive under Wind's leadership.

**Mothwing**: Well it appears as if we know two different sets of Clans. Onestar is the leader of WindClan.

**Moth Flight**: You must be mistaken... Wind is the leader.

**Mothwing**: I think you're just an elder who forget everything. *rolls her eyes* I'm going to get out of this place. *starts walking toward the side.*

**Moth Flight**: Bye then.

**Mothwing**: *runs into the wall thingie* Oww! What was that.

**Moth Flight**: *pads to her side* It appears as if there is some sort of barrie— *runs into it as well.* Ouch!

**Mothwing**: How strange. I must be dreaming.

**Moth Flight**: *wonderous tone.* Maybe we're in StarClan. *glances around as if treading on sacred ground*

**Mothwing**: Those idiots have infected even my dreams... *sighs* The Clans are a bit stupid sometimes.

# Episode 22

*Two cats appear, one from above, one rom below, and both land on the ground like needles from a pine tree*

Nettle: Where am I?

Nettle 2: I don't know.

Nettle: Why do you have a 2 after Nettle.

Nettle 2: It's probably cause the writer might get the readers confused.

Nettle: Oh, I'm from Dawn of the Clans. I'm part of SkyClan. I used to be a rogue.

Nettle 2: I was a loner too! I'm part of ShadowClan.

Nettle: Ew! ShadowClan sucks.

Nettle 2: SkyClan got kicked out!

Nettle: I thought we could be friends!

Nettle 2: Me too!

Nettle: UGHHH I'm the only NETTLE!

Nettle 2: IM STILL LIVING!

Nettle: UGHHHHHHH I was born first!

Nettle 2: You suck.

Nettle: Says Nettle TWO

Nettle 2: I hate you writer! Plus I'm the color of Nettle, you aren't.

Nettle: You are the color of a dead Nettle!

Nettle 2: But I'm not dead! So you should be brown!

Nettle: Now you are doubting your coat color.

Nettle 2: I'm out of this place! *walks away and hits the border* $& %# THIS.

Mysterious character: Nettle gets to leave and go to StarClan.

Nettle 2: I'm part of ShadowClan!

Mysterious character: I meant the other Nettle.

Nettle: Thank you. *leaves*

Nettle 2: Please, I need to go back to ShadowClan.

Mysterious character: You hate me. Now go away. Shoo *leaves Nettle 2*

Nettle 2: NUUUUUUUUUUUUUUUU

# Episode 23

*Goosefeather strolled merrily along the borders of StarClan, prancing as the scent of fresh daises filled the air. Suddenly, a wild Jayfeather appeared.*

**Goosefeather:** Ah! That you, Bluestar?

**Jayfeather:** In what land do I look like Bluestar? It took some deduction and I had to go to a few sources, but I was under the impression that Bluestar was, how do you say, BLUE?

**Goosefeather:** Well, in Land Seven and Twenty Five of my paradox of insanity you seem to resemble Bluestar, but then again in Land Four you're a hybrid of Leafpool and Starkit...

**Jayfeather:** I thought StarClan dealt with insanity, clearly not

**Goosefeather:** Nope! Still a batty old fool! Anyway, how's Featherwhisker holding up as medicine cat?

**Jayfeather:** Considering he died many moons ago, not great

**Goosefeather:** Really? He hasn't come to visit me!

**Jayfeather:** Couldn't imagine why

**Goosefeather:** So you're telling me Featherwhisker's dead, huh? What next? A ShadowClan cat was our medicine cat?

**Jayfeather:** ...

**Goosefeather:** OH COME ON! Well, I suppose we have the embodiment of Starkit roaming the camp now!

**Jayfeather:** Oh, Dovewing? Yeah, she and Starkit often commute to the local Sue-permarket *bad dum tss*

**Goosefeather:** How did that little Tigerkit turn out? Can I claim on

my theories and earn millions exploiting the fact I was first to notice something suspicious?

**Jayfeather:** He attempted to murder Bluestar, crippled Cinderpelt, led a dog pack close to ThunderClan killing several including Swiftpaw and mauling Brightheart's face, killed thousands, killed some more, had a fight with Firestar and I don't know, destroyed the world a few times.

He's a darling

**Goosefeather:** ;) so proud

**Jayfeather:** Well, that's about everything, I should head back to KittypetClan

**Goosefeather:** See you soon, Bluestar!

**Jayfeather:** -_- have a good one

*Jayfeather leaves*

**Goosefeather:** Well, reality is certainly different from any paradox of insanity I've lived in. Time to visit Land Three Thousand and Thirty Seven where Jayfeather is actually Bluestar's conscience.

It's fun to watch her suffer :)

***~lmao Hazel really likes Goosefeather ngl~***

# Episode 24

*The pieces of the moon started to join together*

Moonflower: Hello? StarClan?

Ambermoon: Who are you?

Moonflower: That's rude, you should say your name first.

Ambermoon: *roll eyes* I'm Ambermoon and you are?

Moonflower: Moonflower. Nice to meet you.

Ambermoon: OoooOoo I noticed something!

Moonflower: You are a she-cat like me!

Ambermoon: Something else! We both have a sacred part in our names!!!!!!

Moonflower: OMG YUS.

Ambermoon: I love my name.

Moonflower: I was suppose to be Duskflower.

Ambermoon: Ah. I kind of hate people who have moon as a suffix and a prefix.

Moonflower: Like us?

Ambermoon: Like other names the fan group made up involving special names.

Moonflower: True dat.

Harveymoon: Yo.

Ambermoon and Moonflower: You are?

Harveymoon: Harveymoon, nice to meet you.

Ambermoon: ;~;

Moonflower: Errrrrrrrrrrrrr...

Ambermoon: You get it now?

Moonflower: Yeah...I get it now. Erins please made me Duskflower.

Ambermoon: Could I be Amberlight or something.

Harveymoon: I'm okay and I'm proud of being a moon.

Ambermoon and Moonflower: *facepaw*

# Episode 25

**[For those of you that don't know, Mapleshade murdered Ravenwing, the ThunderClan medicine cat, because he revealed that Mapleshade mothered three half-RiverClan kits at the Gathering]**

*A small black tom with sky-blue eyes appears in the invisible dome.*

**Ravenwing:** Where am I? *looks around and down at his paws* I'm not incredibly faded any more!

*A guttural "ARGHHHHHHHHHHHHIAUSHDFILUQBASKDJBFLKASDBFK" screech rains down upon the hapless tom's ears as a second cat drops down beside him.*

**Mapleshade:** *stands, and, noticing Ravenwing, sneers at him* What are *you* doing here? I never saw you in the Dark Forest. Enjoying the sunshine with the StarClan softies, were you?

**Ravenwing:** *shocked* W-why are you here? *hisses* You deserved to die. Even a place like the Dark Forest cannot contain a truly evil cat like you—I suppose that's why Sandstorm ended you ultimately.

**Mapleshade:** I can only wonder why the StarClan mange-pelts decided to let you join them. Sandstorm had everything I had ever wanted in my life. How come she got all that, and I didn't? It wasn't fair! You ruined my life, and my kits'. They never did anything bad. They were simply born at the wrong place in the wrong time! *eyes gleaming as she takes a step forwards* You're as rotten as us.

**Ravenwing:** *steps back hastily and bumps into the invisible wall* Us? You and Tigerstar? Brokentail? Thistleclaw? You are the twisted ones. Threatening young cats to join you in your scheming, swaying them with empty promises—I hear you visited

Crookedstar's dreams and made him promise something he never would fulfil in the first place.

**Mapleshade:** *voice spitting venom* I was helping him realise what true loyalty meant. I was leading him in a better direction, you foolish—

**Ravenwing:** A better direction? You never should have interfered in other cats' lives, Mapleshade. The Dark Forest was your punishment, but you still didn't realise your mistakes.

**Mapleshade:** Mistakes? ***I made none!***

**Ravenwing:** *sneers* Is that what you've been telling yourself all along? That what you were doing was right? *Is* right?

I pity you sometimes, you and your kits—did you know that they frequently asked about their mother in StarClan, but no cat told them who she was?

Did you know that they were looked after by a formerly WindClan elder in StarClan? Where was their mother when they needed her, Mapleshade? ***Where was she?***

*Mapleshade's pelt bristles, her long tail lashing. Something even more intense than rage flashed in her amber eyes as she spits in his face.*

**Mapleshade:** *lips curled in a vicious snarl* You continue to be a dishonourable old piece of fox-dung even after you death. You have no right to speak to me like that. Do you know what it feels like to be me? *You are the one that deserved to die!*

*The tortoiseshell and white she-cat pounces, claws extended towards the tom's throat.*

**By Saph! 😳✧ I know this book is meant to put together cats from different timelines, but after their respective deaths they each lived in separate places for a long time, so it's just interesting to see them back together. I tried to make this realistic, though Ravenwing should have been at least a little nicer, I think.**

**I love the ending.**

# Episode 26

*Two cats appear from nowhere*

Lionheart: Hello?

Lionstar: Hello! I'm Lionstar.

Lionheart: I'm Lionheart.

Lionstar: Ooo! Where are you from.

Lionheart: I'm from the First Arc.

Lionstar: I'm from the great clans!

Lionheart: Cool!

Lionstar: Yeah! I'm so fabulous.

Lionheart: Yeah, but I'm deputy!

Lionstar: I'm leader though.

Lionheart: I have a lion mane.

Lionstar: I can turn into a lion.

Lionheart: *winces*

Lionstar: *turns into lion* ROARRR

Lionheart: Ahhhhhhh! No!

Lionstar: *laughs*

Lionheart: Time to give you a life!

Lionstar: I already have nine lives!

Lionheart: *gives life*

Lionstar: AHHHHHHHH

Lionheart: Hahahaa!

Lionstar: *explodes into pieces*

Lionheart: MUHAHAHA! Only one Lion is to live.

Firestar: Lionheart?

Lionheart: Why are you here?

Firestar: Cause...StarClan. *looks at Lionstar* And what it this.

Lionheart: It was Tigerstar being an imposter. So I chased him away.

Firestar: Okay! I gotta go, duty calls, heh.

Lionheart: Bye! *looks at audience* That means you too!

Firestar: Wait what?

*television sizzling screen*

Fourth Wall: That was uncalled for.

# Episode 27

*Silence has fallen over the invisible dome for quite some time. Suddenly, the pool in the center of the clearing starts to bubble, and a young tom is spit out of the water. Following him is another loner.*

**Ravenpaw:** *blinks dizzily.* Where... where am I?

**Dovewing:** *stares back with an equally confused expression.* Who are you?

**Ravenpaw:** *jumps slightly when he realizes there's another cat here.* Oh! Sorry! I'm Ravenpaw... and you are?

**Dovewing:** Dovewing. Anyways, how do we get out of here? *paws curiously at the ground.*

**Ravenpaw:** *gives a light shrug.* I dunno—this place is just as new to me as it is to you. What Clan are you from?

**Dovewing:** Weird. And ThunderClan.

**Ravenpaw:** I *was* from ThunderClan.

**Dovewing:** What do you mean? Why would anyone want to leave ThunderClan! We're the best Clan!

**Ravenpaw:** *glances nervously to the side.* Uh, Tigerclaw—or Tigerstar, I suppose. How could you not know who he is?

**Dovewing:** Oh, I know who he is!

**Ravenpaw:** You do? *the fur along his spine stands on end.*

**Dovewing:** Yeah. We fought him in the Great War. Luckily, he's dead now. Hopefully for good....

**Ravenpaw:** *tips his head to the side.* He already died though. How could he possibly die again? *muses over this for a moment.*

**Dovewing:** Forget I said that.. anyways, let's try to get out of here.

**Ravenpaw:** *nods in agreement.* I'll go left.

*Ravenpaw starts walking left. Dovewing follows him after a moment of hesitation.*

**Ravenpaw:** *glances back at her.* I think there might be a way out from he— *bangs into the invisible wall.* Ouch!

**Dovewing:** *looks down at his twitching form as she continues to walk forward.* What's wron—*bangs into the wall.* Ouch!

*Both cats are silent as they wait for the head pain to pass.*

**Ravenpaw:** *grumbles.* I hope we don't end up like Ember, with a concussion.

**Dovewing:** I beg your pardon?

**Ravenpaw:** Nothing, just casually breaking the fourth wall.

**Brought to you by Rio, who hasn't written a chapter for this book in forever.**

# Episode 28

*Pinestar descended from the starry skies*

Firestar appeared out of nowhere.

Pinestar: Jake? Is that you?

Firestar: Jake was my father.

Pinestar: Rusty?

Firestar: Ew, you think my name is rusty, my name isn't rusty, how can you even see my name tag. It isn't made of metal or anything. It's not rusting are you blind! If it is rusting then it would be brown-reddish.

Pinestar: Your pelt is brown-reddish.

Firestar: F*** that

Pinestar: Language you dumb mouse-brained cat we are next to the Fourth Wall.

Firestar: Oh s***

Pinestar: And again, I told you. I thought you were the purrfectional one.

Firestar: Well, b**** of course I am.

Pinestar: You are embarrassing yourself.

Firestar: I don't even know your name and you think I'm embarrassing myself, who are you, my father?

Pinestar: Of course not, I'm your father's friend.

Firestar: Who even cares.

Pinestar: I do!

Firestar: Stop it, s**** you.

Pinestar: Chill with the language.

Firestar: Your name is?

Pinestar: Pinestar, the "first" leader of ThunderClan.

Firestar: No you aren't, Thunderstar is.

Pinestar: Technically I am, but whatever, you aren't even close.

Firestar: How do you know my name is Rusty.

Pinestar: Cause I stalked you.

Firestar: b**** no.

Pinestar: You failed, you are just a gary-sue trying to be popular.

Firestar: I'm leaving.

Pinestar: Nope.

Firestar: You can't tell me what to do! *slams into glass and faints*

Pinestar: *shrugs*

~ A few days later ~

Firestar: *wakes up* Hello?

*silence*

Firestar: Hello? *worried face*

*silence*

Firestar: Hello?

~

**Rip Firestar again. Oh well. I hope you enjoyed! ~Whisper**

# Episode 29

*This time, instead of a small forest, a shallow pond forms a rough circle in the center of thick brush. A log protrudes from the ground, and a few fish swim around the bottom. The peace is disturbed as a pair of cats fall out from the sky, splashing into the water.*

**Leopardstar:** *is flailing her paws wildly.* HELP ME I DON'T KNOW HOW TO SWIM! *sucks in water, hyperventilating softly.*

**Flametail:** *slowly stands up and glances around.* Well it's not leaf-bare, so I should be fine... *notices Leopardstar.* Oh, hi.

**Leopardstar:** *is still flailing.* HELP ME I'M DROWNING.

**Flametail:** *narrows his eyes at her.* Aren't you a RiverClan cat?

**Leopardstar:** *starts sinking below the water; hits the mud bottom.* Oh. *stands up, her pelt dripping with mucky water.* Hi there. I'm Leopardstar, leader of RiverClan.

**Flametail:** I'm Flametail. Dead af, but the former medicine cat of ShadowClan. I drowned to death.

**Leopardstar:** I died from diabetes, which doesn't really make that much since, since Type 2 diabetes is from the development of insulin resistance, and Type 1, which happens from birth onward pretty much, is related to the pancreas's function (or lack of therefore). Type 1 would probably be what I suffered from, but that's super rare.

**Flametail:** ...how fun.

**Leopardstar:** Yeah, Rio knows like next to nothing about this so don't lecture her in the comments :c

**Flametail:** *tilts his head to the side.* Who's Rio?

**Leopardstar:** Never mind.

**Brought to you by Rio**

# Epilogue

**Cloudtail has joined the territory**

**Cloudtail**: I'm still in ThunderClan? Where is the Twolegsplace?

**Cloudstar**: Hello?

**Cloudtail**: *flinches* What?

**Cloudstar**: I'm magical.

**Cloudtail**: Aww, I want to be magical

**Cloudstar**: You are magical.

**Cloudtail**: Really?

**Cloudstar**: Yeah, you are the magical Cloudtail right?

**Cloudtail**: Yeah! You are?

**Cloudstar**: I'm Cloudstar.

**Cloudtail**: I'm a leader?

**Cloudstar**: No, never, you were never leader. I'm leader...

**Cloudtail**: But you have the same prefix as me.

**Cloudstar**: So, were you in SkyClan?

**Cloudtail**: I was born on SkyClan's territory, said my uncle.

**Cloudstar**: I never saw you and I never heard of a queen name their kit after me.

**Cloudtail**: I'm Cloudtail, I joined ThunderClan after getting taken by my uncle.

**Cloudstar**: No wonder, another ThunderClan scum.

**Cloudtail**: You shut up.

**Cloudstar**: Nope.

**Cloudtail**: I'm going to eat you.

**Cloudstar**: I'm not a real cloud, stupid.

**Cloudtail**: *eats Cloudstar* I'm the only Cloud- here if anyone names their cat Cloud- I will eat you.

**Cloud Spots**: Hey. I'm Cloud Spots, I'm from Dawn of the Clans

**Cloudtail**: Are you even kidding me.

~

**Rip another one, 2016. I hope you enjoyed the last chapter. Rio says she would miss it. I kind of do also. ;( ~Whisper**
